Importance of Our No Double Dipping Policy

Based on the client's skin, we use two types of wax. We follow the highest standards for cleanliness, sanitation, and maintaining the integrity of the skin. We have a strong commitment to protecting all our clients with this policy. There are NO CONCERNS HERE - We throw the stick away after each dip during the application process.

Our Wax product is a paraben-free, gluten free and cruelty free non strip disposable wax.

If you are currently using or have used any of the following, please inform your technician:

Accutane
Retin A

Salicylic Acid Products

Topical Antibiotics

Irritated Open Skin

Moles will not be waxed
